| <p>RE: Ticket Sales Discontinuance by EAA office</p> <p>1. This is a very unfortunate development. As a member I would like a more detailed explanation than "budgetary considerations". Perhaps the membership would like some other service(s) discontinued in lieu of this. Perhaps, if we had a clearer picture of the problem, we might be prepared to increase our dues. Even further, with the exclusion of this service, some of us may not renew our membership or demand refunds.</p> <p>2. Situated on a secured compound in the middle of rural Virginia, we are already isolated from the cosmopolitan city and communities in which we live. The ticket service was one of the modest outlets we had to make up for our absence of access to shopping areas/ticket centers and other community commercial matters which most citizens can accept as a given but which for us are not unless the individual is prepared to sacrifice much in terms of time and expense.</p> <div style="text-align: right; margin-top: 20px;"> <div style="border: 1px solid black; width: 250px; height: 40px; display: inline-block;"></div> _____ SIGNATURE </div> | | | | | |
